Office of Legislative Counsel

Friday - 16 January 1959

1. The CIA Subcommittee of Senate Armed Services heard the DCI and others for approximately two hours. See Memorandum for the Record for full details.
2. Representative George Mahon was down for lunch with the DCI and others. See Memorandum for the Record for full details.
3. Mr. Edwin Weisl, Sr., Mr. Cyrus Vance and Mr. Edwin Weisl, Jr. were down for a general briefing on the Soviet military program by the DCI and others. See Memorandum for the Record. ✓
4. Sam Crosby telephoned to inquire if the Director could appear before the House Defense Appropriations Subcommittee of House Appropriations Committee chaired by Representative George Mahon on 21 January 1959 at 10:00 a.m. This was confirmed with the Director and made firm. Mr. Crosby stated that he would like a technical sweep of the hearing room, F-16.
5. called and asked if we could be of assistance in providing copies of U. S. laws relating to the governing of private and public universities. The Department of Health, Education and Welfare is probably the best source for this type of material. However, we shall check with appropriate committees on the Hill.
6. (Office of Personnel) reported the receipt of a draft bill entitled, National Defense Civilian Reserve Act, prepared by the Office of Defense Mobilization. The draft bill was received yesterday with a covering memorandum from the Interagency Committee on the National Defense Executive Reserve requesting Agency views on the proposal on an informal basis by the close of business on 19 January. Boulton will reply that our comments cannot be made within the deadline but will be submitted prior to 23 January. Personnel Office will analyze this bill and prepare a proposed comment for discussion with this Office by the middle of next week.
